Dear Heidi,

The Joseph Project would like to thank you for your recent donation. The funds received were utilized to support the sponsorship of the 2020 Michigan Abolitionist Project Roundtable. The event was designed specifically to educate anti-trafficking service providers regarding the importance of addressing the legal needs of human trafficking survivors. We were honored that Jennifer Grieco, former President of the State Bar of Michigan, gave the keynote address alongside our Founder and CEO, Nate Knapper. Over 130 people were in attendance and many expressed that the event helped build awareness and broaden their understanding of the importance of this specific issue.

The vision of The Joseph Project is to provide skilled pro bono legal counsel for every human trafficking survivor. Please know that your support is helping survivors win and lead the empowered lives God has for each of them.

Ciao Heidi!

How are you? Hope this finds you well!

I wanted to take a moment to especially thank you for your donations!! It might seem hard to imagine, but the impact of this donation is HUGE! As you know, we have been incessantly looking for an apartment to rent that would become a Safe Home for the women participating to our Recovery

Program. However, the search has been hard due to the rise in rental prices and especially due to stigma and racism towards the women we work with!

But God is faithful and good! We may have found a landlord willing to rent to us! Your donation is precious because we have not yet reached the full amount needed to be able to cover the rent expenses, which means we can't yet confirm to the landlord that we will rent this apartment!

Your support is building VT's funds and is contributing to get us closer and closer to renting a space for our Safe House!!

So, from the bottom of our hearts, THANK YOU!! Thank you for your love and passion for this ministry, and thank you for faithfully following God's leading!

SAFE HOUSE PROJECT

Thank you!

Your donation helps us meet the needs of survivors every day. Over the holiday season, we have been walking alongside survivors during one of the hardest seasons of the year for each of them. Each day was met with new opportunities to step in and remind them that they are deeply loved and we are so proud of their resilience. Many were overwhelmed by the gifts they received because they had never received a Christmas gift. Others felt the security of being somewhere safe for the holidays for the first time.

We hope that you all felt similar moments of rest and relaxation amongst a hard year for many. We look forward to seeing what 2022 brings, and your continued support.

GARDEN GATE RANCH

Dear Heidi,

Jesus was the gift of all gifts.. a baby, carried by a young girl, would become the offering of sacrifice by God the father to redeem the lost world back to himself. His sacrifice is our redemption! So two thousand years later, the tables have turned. At the first Christmas it was God who gave. Today it is OUR sacrifice that reaches the lost!

We are doing for others what God did for us! GIVE!

We want to thank you with all of our hearts for the help and support you have given with such grace. It has allowed us to bring His love to more souls than we have ever done before!

I could never have imagined that we would be caught in the middle of a war and that our kids could be so used to love so many!

YOU have made miracles happen..

We are excited to see what is to come! We bless you and yours at this, the most wonderful time of the year and ask for His continued blessing into the New Year! Merry Christmas!

Dear Heidi,

I want to express my deepest gratitude for your donation!. Your donation helps us care for the victims and survivors emerging out of human trafficking in and around South Dakota. Your contribution is directly impacting their lives and is helping them transition from darkness into light. Our desire isn't just to see an end to trafficking, but also help restore the lives of those who have been set free from their bondage and brokenness.

Your kindness is what helps give these men, women, children and youth the hope and courage they will need to embrace a new life full of healing, restoration and authentic love. Your gift is a powerful reminder that someone really does care what happens to them. Because of you, we are becoming more equipped every day to not only identify victims and survivors, but offer the services and support they need to successfully transition out of a life of darkness, such as:

- **Supportive Housing**
- **Occupational Therapy**
- **Addiction Services**
- **Mental Health Services**
- **Advocacy**
- **Transportation**
- **Meaningful Employment**

In addition, our aftercare services help survivors rediscover their true identity and purpose while empowering them to become productive members of their communities, families and relationships.
